## 入構許可証が必要です

Do you have a Permission Sticker on your vehicle?

本学に車両(自動車・自動二輪車・原付)で入構する場合には、車両登録申請の手続きを行い、入構許可証(ステッカー)の交付を受け、所定の位置に貼付しなければなりません。

まだ登録をしていない場合,あるいはステッカーの許可期限が切れている場合は、学生課(5番窓口)で、至急手続をしてください。

未登録車両や駐車違反の車両には交通違反警告書を取り付けます。なお、ステッカーが車両に貼付されていない場合は、登録済であっても未登録と見なされます。

Students are required to submit a completed "Application for Vehicle Registration" with other additional required documents in order to enter university by vehicle. When your registration is completed, you will be given a permission sticker which should be put at the designated position on your vehicle.

If your vehicle does not get a permission or if your sticker has been already expired, please perform the necessary procedure at Student Affairs Division (Counter ⑤) immediately.

In the case of unregistered vehicle or illegal parking, a warning tag will be attached to your vehicle. If the sticker is not placed at the designated position on your vehicle, it is considered as unregistered despite of being already registered.
